Guidelines to Find and View Details of Registered Trade Marks and Application Status

GENERAL

1. This module is intended to be used by the owners of the trademark as well as applicants of the trademarks in the Indian Trade Marks Registry.

2. The owners of the mark can view the uncertified Electronic Trademark Register, present status of their mark, next date of renewal assignment, scanned copy of the Registration Certificate etc.

3. The applicant of a trademark can view his status, examination report, status of opposition if any.

4. For viewing journal publication you may have to surf the trademark journal archives.

There may be few errors and omissions in the data viewed herein which can be rectified/updated by applying to the concerned Trade Marks Registry with supporting documents.

➢ **Trade Mark Application/ Registered Mark.**

If you know the Application Number of the Trade Mark (same as the Registered Trade Mark Numbers) whose details are to be find, enter the number and click the view buttons.

➢ **Find Details without Trade Mark Number/Application Number**

If you don't know the Application Number of the Trade Marks, whose details are to be find, click the button 'Find Details without Trade Mark Number/Application Number, key-in the Trade Mark, Proprietor Name, Class and Goods/Services and click the Search buttons to list the Registered/Pending application status of you mark.

In the Trade Mark column enter the Trade Mark (min. 3 characters) in the Proprietor Name column enter the name of the owner (minimum 5 characters- do not prefix M/s, Mr., Mrs., Smt., Dr. etc.)

The details for finding the appropriate class code (1- 45) click the link See Class Details.

The details of a specific Trade Marks can be viewed by clicking on the corresponding TM Application Number in the list obtained in Find Details without Trade Mark/Application Number.
